

THE CORPORATION OF THE TOWNSHIP OF CENTRE WELLINGTON

WASTEWATER OPERATOR PERMANENT, FULL TIME (40 HOURS PER WEEK)

Reporting to the Supervisor of Wastewater Services, this position is responsible for operations and maintenance of the Township's wastewater systems. This position is responsible for all technical aspects of wastewater and stormwater systems including wastewater treatment plants, sewage pumping stations, low pressure sewer systems, forcemains, mains, storm water management ponds, and conveyance channels.

Key Major Responsibilities

Duties include but not limited to:

Operations and Maintenance

- Maintain, inspect, and operate all aspects of the sanitary, storm and LPS systems.
- Maintenance of all related equipment for the proper operation of the wastewater and stormwater systems including vactor, small engines, camera truck, pumps, chemical pumps, centrifuges, shredders, valves, appurtenances, etc.
- Daily plant and SCADA (computer) checks, including all equipment and processes.
- Making assessments on the performance of the equipment and plants as a whole and adjusting duties/procedures/treatment processes as a result.
- Purchasing day-to-day supplies and ordering materials for repairs as needed.
- Consultation with internal and external resources as needed.

Assessment and Repairs

- Inspection and review of sewer and storm mains via CCTV and push camera.
- Storm water pond assessments.
- Utility locates as needed.
- Assess and repair infrastructure including manhole/catch basin structures.
- Assist contractors in repairs and construction.

Records and Facility Administration

- Maintain and complete mandatory record keeping, data entry, journals, and filing for all aspects of operations and maintenance, including forms development, digital files and forms, and liaising with other departments to assist them with their data needs.
- Routine and special study samples and laboratory analyses.

Customer Service and Public Relations Procurement

- Responds and provides support to internal and external inquiries and concerns regarding wastewater and stormwater.
- Work with plumbers/contractors and the public to provide guidance on dealing with lateral service blockages in accordance with Township policies and procedures.
- Conduct facility tours and public education.

Training

- Must be knowledgeable and comply with all applicable legislation (OWRA, SDWA, OHSAA etc.).
- Continuous and successive progression to achieve a level 3 Wastewater Collection license and a level 4 Wastewater Treatment license.
- Applicable training related to health and safety and as required under the Ontario Health and Safety Act.
- Applicable training as required and for professional development.

Minimum Qualifications and Requirements:

- Secondary School Diploma
- Wastewater Treatment and Wastewater Collection Operator-in-Training license
- Minimum three (3) years' experience in the operation and maintenance of water or wastewater operations, including wastewater treatment and collection systems is considered an asset.
- Experience in the functions and maintenance of storm water collection and storage systems.
- Knowledge and understanding of the operation and maintenance of wastewater treatment and collection systems.
- Knowledge and understanding of the operation and maintenance of SCADA/PLC control systems.
- Knowledge and understanding of the functions and maintenance of storm water collection and storage systems.
- Knowledge and understanding of the maintenance of storm water collection and storage systems.
- Basic understanding of hydraulics, electricity, hydrology, and chemistry.
- Possess and maintain a valid Class G Driver's License with a clean driver's abstract.
- Possess a valid Class D license with Z endorsement or be willing to obtain within 12 months of hire.
- Laboratory, computer, and accurate record keeping skills.
- Possess, or be willing to obtain within 6 months, the following certifications: Confined Space Entry, Transportation of Dangerous Goods, First Aid/CPR, Working at Heights, and OTM Book 7 Training.
- Excellent verbal and written communication skills with attention to detail and accuracy.
- Ability to work independently and cooperatively with others in a fast-paced team environment.
- Regular and consistent attendance is a condition of employment.
- Excellent organizational and time management skills to prioritize workload and meet deadlines.
- Working knowledge of computer software programs such as Microsoft Office and related programs.
- Demonstrated commitment to collaboration and co-operation with co-workers and management in the provision of excellent customer service to the public.

Compensation: \$28.52 - \$37.01 [2023 Rates]
(Individual hourly rate adjusted according to held certification)
