- ☐ The location of and nature of any easement affecting the subject land
- ☐ The location of any natural or artificial features on the subject land and on land adjacent to the subject land (examples: trees, roads, watercourses, wetlands, wooded areas, wells, septic tanks and buildings)
- ☐ The current uses on land that is adjacent to the subject land

## **ADDITIONAL INFORMATION:**

- An application will not be accepted as complete unless all legislated requirements have been met, and will not be processed until all necessary information has been received.
- Depending on the volume of applications received, submitting an application on or before the application deadline does not guarantee the application will be heard at the next hearing. Applicants are encouraged to submit their application prior to the last submission day and to confirm a hearing date with the Secretary-Treasurer.
- In addition to the submission requirements found on the application form, the application should provide all the planning evidence necessary in support of the request being made. This will assist the Committee in making an informed decision regarding your application. Depending on the nature of the application, this evidence may be in the form of:
  - Photographs showing the existing streetscapes, structures, etc;
  - Contextual plans (in context with adjacent structures); and
  - Historical information and/or detailed location plans (windows, openings, accessory structures) of the abutting properties.
- The Committee of Adjustment application process is a public process. Applications will be circulated to public agencies for comment. Notice of the hearing will be circulated to neighbouring property owners and a sign will be posted on the subject property. All parties are given the opportunity to provide written comments or attend the hearing, either in support of or in opposition to the application, or to appeal a subsequent decision of the Committee of Adjustment. The comments and opinions submitted on an application, including the name and address on the submission, become part of the public record and may be viewed by the general public.
