Shinny programs require registration through
pickuphub.net

Full Equipment is required and mandatory for
Shinny Programs

Prime Time Shinny: \$12.85
Non-Prime Time: \$7.25

Adult Stick & Puck

This self-taught Stick & Puck program allows for a relaxed atmosphere to help develop hockey (or ringette) skills at your own pace, in a comfortable setting. Work on stick handling, shooting and skating skills. NO scrimmages/games, NO slap shots or body contact allowed.

Family Stick & Puck

This is a relaxed session designed for families with younger children to enjoy and practice hockey/ringette skills together in a safe, low-pressure environment. This unstructured ice time is ideal for families who want to work on skating, shooting, passing, and having fun on the ice – all at their own pace. This program focuses on skill-building and family fun. Children 9 and under must be accompanied on the ice by a caregiver. Children 10 and older may skate independently, but a caregiver must remain in the facility during the session. CSA approved Helmets are mandatory for all participants. Full hockey gear is strongly recommended. No slap shots, checking, or rough play. No games, scrimmages, or coaching – just practice and play.

Teen Stick & Puck

A great time for youth 13-17 years old to work on hockey/ringette skills with their peers in a welcoming environment. We have a zero-tolerance policy for roughhousing and dangerous play. CSA approved helmets are required for all participants. Full equipment is highly recommended.

Adult & Senior Skating

The perfect time to skate if you're over the age of 18. Skate at your own leisure to some background music. No pucks or sticks allowed. CSA approved helmets are highly recommended.

Family Skating

This skating time is designed for families to skate in a quiet, relaxed atmosphere. This skating time is ideal for younger children, and those needing a controlled and comfortable place to work on skating skills. This program is not supervised by a skate patrol. All tots must be supervised on ice by a parent or guardian with sufficient skating ability. CSA approved helmets must be worn by all children and are strongly encouraged for adults.

Shinny Hockey

Players are required to register through pickuphub.net - registration opens 7 days before game time. If the minimum number of players has not been reached, games will be cancelled and players will be notified 90 minutes before game time. Games are not refereed or supervised unless otherwise stated. Goalies are free but must register. A CSA approved hockey helmet is mandatory for everyone. Players under the age of 19 must wear a CSA Helmet with a full face mask. Full equipment is required. Body contact is not permitted.
