General Pool Information

Family Swim Passes

The Township offers an annual Family Swim Pass and it is valid for all drop in swims (lane, public, family, adult leisure, special needs, parent and tot). The cost is \$476.75 per year. This pass can be used for two adults and up to four children. We offer numerous other passes for adults and seniors for a variety of programs as well. Please call 519.846.9691 x 903 for more information.

Feeding your children before swimming

Children may experience nausea while swimming after eating a large meal. Please give your child ample time to digest their food before swimming. Please do not feed your child a large meal just prior to swimming.

Financial Assistance for Swimming Lesson

The Children's Foundation of Guelph and Wellington provides financial assistance for children in need so they can participate in sports, cultural and recreational activities. Funds are available for the activity of the child's choice as long as the activity will benefit and enrich their own personal development. For further information or information on how to apply, contact the Children's Foundation of Guelph and Wellington at 519.826.9551.

Diapers

As a courtesy to all we require that all individuals who are not toilet trained wear specially designed swimming diapers. The Aquatic Centre has both disposable and reusable swim diapers available at our administration desk. The Sportsplex stocks swim diapers in infant, child, youth, and adult sizes.

Personal Assistant for Leisure Activities (PAL) Card

A "PAL" card is available to people with a disability who require assistance to attend Township of Centre Wellington Recreation programs. The "PAL" card is issued to the person with the disability and allows them to be accompanied by a friend, relative, support worker, etc., as their support person who participates as an attendant at no additional cost. A support person can be a different person each time but they will help the person with a disability with tasks related to communication, mobility, personal care or medical needs, or with access to goods or services.

We will continue to admit caregivers volunteering their time to help a person with special needs to our programs free of charge. If you would like to apply for a PAL card to use in neighboring municipalities an application form is available to fill out. There are certain eligibility requirements that must be met to obtain a PAL Card. Application forms are available from the Centre Wellington Community Sportsplex, 550 Belsyde Ave, Fergus ON N1M 3T9, or by contacting Community Services at 519.846.9691 ext. 321

Strollers

Due to their size, and the possibility of restricting change room exits, unattended strollers are to be left outside of the change rooms. Strollers are not to be on the pool deck. We apologize for the inconvenience, however we need to ensure all exits and the pool deck are maintained free of obstructions in case an evacuation is required.

Spectators

Spectators are welcome to watch from the Aquatic Viewing Gallery. Viewing lessons from the pool deck is not permitted.

Pool Temperatures

We have 3 different pools on our deck. They are maintained at the following temperatures:

For all positions, experience and additional certifications will be considered when determining employment offers. Please include a photocopy of all required certifications when applying. Full Job Descriptions are available at the Centre Wellington Sportsplex by contacting the Aquatics Department.

Qualified candidates are invited to submit a complete resume detailing education, experience and references to:

By Email: careers@centrewellington.ca

JOB CLOSES: Spring - March 22 2024 – 4:00pm | Summer - May 31 2024 – 4:00pm | Fall - August 23 2024 – 4:00pm

Information gathered relative to this position is done so in accordance with the Municipal Freedom of Information and Protection of Privacy Act & will only be used for candidate selection. Accessibility accommodations are available for all parts of the recruitment process. Applicants must make their needs known in advance. We thank all those that apply; however only those candidates selected for an interview will be contacted.

Swimming Lessons

We offer most swimming levels at every lesson time frame. This format of programming allows parents to register multiple children at the same time. In order to coordinate all of our swimmers, instructors will teach multi-level classes.

Not sure what level to register in?

Please call the Sportsplex, 519.846.9691 x 227 to arrange a time for a FREE SKILLS ASSESSMENT by one of our Aquatic Staff.

Deck Supervisor

During swimming lessons there is a deck supervisor who oversees all lessons. If you have any questions or concerns regarding your child's progress the deck supervisor is available to answer your questions.

Swim Lesson Progressions

Did you know your child may repeat a level multiple times before completing all of the requirements successfully? When registering your children, please ensure you register them in the correct level. Swimming skills build from one level to the next. If your child hasn't completed a level, they may not have the skills required to be successful in the next level.

Swim Lesson Report Cards

Your child will receive a report card booklet that will track their progress throughout the swimming levels. Please bring your child's report card to their first class and give it to their instructor. If your child is not present for the last swim lesson you can pick up their report card at the front administration desk at the Sportsplex.

Private Lessons

Private lessons run in the same nine lesson format as all other lessons. If this doesn't fit your schedule, we do offer "one time" private lessons. When registering online for semi private lessons you can register one child online which will reserve the lesson for you. You will need to contact the Sportsplex to register the second child. Please call our reception staff at the Sportsplex at 519.846.9691 x 903 for more information.

Cancelled Classes

Registering early gives us a better idea of which programs are of interest to you. People often wait until the last minute to register only to find out that the program is full, or has been cancelled due to low registration. Registering early increases your program choices. If you are currently enrolled in lessons and concerned about registering in the wrong level you can transfer between levels if a change is needed. Check with your child's instructor after lesson 8. Classes with low enrolment will be cancelled approximately 1 week before programs start.

Missed Classes

If you miss a scheduled lesson we are unable to make them up.

Transfers

You can transfer classes prior to the start of the third lesson if there is space available.

Change Rooms

Children 6 years of age and older must use gender specific change rooms, or the family change room.

Additional Aquatics Programs

Course dates and times for all aquatic programs can be found at ca.apm.activecommunities.com/centrewellington/

Private Lessons

Private \$233.60 for 9 lessons;

Semi Private \$158.35/child for 9 lessons

One to one instruction to work on swimming challenges. Lessons are 30 minutes in length. For Semi Private lessons children must be within one level of each other. It is the responsibility of the swimmer to find a second participant. For information call 519.846.9691 ext 903

Adapted Aquatics

\$96.30

Adapted aquatics is for children and youth with a physical or developmental disability who need 1:1 support to feel comfortable in the water and to progress in their swimming skills. Participants will be taught by an experienced swimming instructor.

Swimming Lessons Schedule

Please refer to our level descriptions to determine the appropriate level for your child's swimming lesson. Specific lesson times can be found online at centrewellington.ca/aquatics. If you have questions regarding our swimming programs please call 519.846.9691 ext 903 to talk to one of our reception staff at the Centre Wellington Community Sportsplex.
