NOTICE OF MOTION – Child Care Centre, Belwood

That the Council of the Township of Centre Wellington direct staff to investigate and work towards supporting the development of a child-care facility /recreational space to be located in Belwood. This includes the collaboration and coordination between other levels of government and community partners;

AND THAT the investigation will include the identification of a site, planning issues, construction logistics, financial implication, and facility management. A public process including input from the Belwood advisory committee would also form part of this planning process;

AND THAT staff be instructed to bring back a report to Council at the June 24th meeting, providing background information and details to facilitate the next phase of this potential development.
