Application for Private Property Parking Enforcement – Blanket Authority

Blanket authority allows Municipal Law Enforcement Officers to enforce the following Township of Centre Wellington By-laws on private property without being called by the property owner or their agent:

- Parking By-law 6000-23, as amended, s. 4.2 and s. 9.42 (if applicable)
- Parking on Township and Private Property By-law 2022-32

Blanket authority applies to parking enforcement on surface parking lots. If enforcement is required at underground parking lots, contact parking@centrewellington.ca for review.

The property owner or their agent will be required to attend a hearing or court and provide evidence if requested.

The property owner or agent (if applicable) must complete and submit the Blanket Authority form to parking@centrewellington.ca. A separate form is required for each property.

NOTE:

- The boundaries of the property must be clearly defined; and
- Signage is required before parking may be enforced on private property. See the signage guidelines included with this authorization form.

If you have questions, please contact parking@centrewellington.ca.

BLANKET AUTHORITY GUIDELINES

Authorized Parking Sign Format

- Signage wording – see sample below.
- Signs must be legible and professionally made.
- Lettering must be in a contrasting colour to the sign's background.
- Sign must be made of durable material and able to withstand wind gusts, sunlight and other weather conditions.
- Sign must be made of reflective material if the applicable parking rules apply at night.
- Recommended measurement for the sign: 18 inches wide x 24 inches high
- The sign may also contain a statement that parking is restricted to a specific time, time of day or specified days of the week.

Location of Private Property Sign(s)

- Signs must be installed at a sufficient height from ground level so as to be easily viewed by motorists entering or parking on the property (posted so that the bottom of the sign is 2m high (6'6") from grade level)
- Signs must be installed:
 - at all public entrances to the property, facing towards the street; and
 - within the interior of the property facing inward toward the property.
- Perimeter signs placed on the edges of the property must face inward toward the property.
- Signs must be angled to face the direction of traffic entering the property so that any driver using the premises is able to read the sign upon entering. Wall mounted signs do not have to be angled.
- Signs do not have to be installed at signed fire routes.

Application Process

Document Procedure:

- Submit this form to parking@centrewellington.ca
- Post the necessary signage.
