

Managing Director of
Planning &
Development Services

Senior Planner - Heritage
and Development

HERITAGE

WHAT WE DO

Heritage Planning staff are responsible for:

- Reviewing heritage permit applications for designated properties
- Reviewing requests to demolish heritage structures (full or partial)
- Maintaining the Municipal Register and making recommendations to add/remove properties
- Reviewing Heritage Impact Assessments for development applications
- Acting as liaison to Heritage Centre Wellington to provide advice, information and direction
- Maintaining heritage information on the website, including Heritage Register information and mapping
- Managing Township heritage projects, such as the CHL Study and Inventory

Please see "Planning Fact Sheet" for further details on the Senior Planners responsibilities.

-  Ongoing review of Heritage Impact Assessments and designations
-  Ongoing public education (heritage awards, workshops, website)

TOP QUESTIONS ASKED

1 **What is the status of my heritage property?**

Contact the Township's heritage planning staff or visit the Township website heritage page (see "Heritage Register" under the "Heritage" page in "Explore CW").

2 **How do I apply to demolish a structure on my heritage property?**

Provide a notice to the Township's heritage planning staff or visit the Township website "Heritage" page (located under "Explore CW") and see "Heritage Property Information".

3 **Can I make alterations to my heritage property?**

This depends on the status of a heritage property, whether designated or listed (see "Heritage Property Information" on the Township website).

4 **How do I get my property designated/undesigned?**

Contact the Township's heritage planning staff directly to discuss this process.

5 **Is there funding available to assist in maintaining/restoring my heritage property?**

Not at this time, but staff is exploring a future grant program.
